

Coaching Services Agreement

Joyfully Present Life Coaching LLC

This Coaching Services Agreement ("Agreement") is entered into between Joyfully Present Life Coaching LLC, a California limited liability company located at 440 N Barranca Ave #9885, Covina, CA 91723 ("Practitioner," "we," "us"), and the client identified below ("Client," "you"). This Agreement governs all coaching sessions booked between Client and Practitioner and remains in effect until terminated as described below — it is not limited to any single appointment.

Client Name: _____

Email: _____

Phone: _____

1. Services Provided

Joyfully Present Life Coaching LLC provides life coaching sessions focused on mindfulness, meditation practice, and building greater calm and presence in daily life. The specific service or package purchased, its price, and its duration are described on the invoice emailed to Client or made available to view online at the time of booking — not in this Agreement, which covers the general terms of the coaching relationship.

2. Fees and Payment

Fees for each session or package are set out on Client's invoice, which is emailed to Client and also viewable online. Payment is due as stated on that invoice. If payment is not received within 7 days of the invoice due date, a late fee of \$35 will be added to the outstanding balance. At this time, fees paid are non-refundable, as Practitioner does not currently offer a refund process; this policy may be updated in the future.

3. Cancellations and Rescheduling

Either party may cancel or reschedule a scheduled session, provided at least 24 hours' notice is given before the scheduled start time. Sessions cancelled or rescheduled with less than 24 hours' notice may be treated as completed for billing purposes, at Practitioner's discretion.

4. Online Sessions

All sessions are held online via video call. Client is responsible for a reliable internet connection, a private space, and any device needed to join. Session links and any required passcodes are provided directly to Client.

5. Required Documents

Client agrees to complete and return any required intake or consent documents, as instructed by Practitioner, before a scheduled session takes place. Practitioner may decline to hold a session, or withhold the session link, until outstanding documents are received.

6. No Guarantee of Outcomes; Not a Substitute for Therapy

Life coaching is not psychotherapy, counseling, or medical treatment, and is not a substitute for professional mental health care. Coaching outcomes depend on many factors outside Practitioner's control, and no specific result is guaranteed.

7. Term and Termination

This Agreement remains in effect until terminated. Either party may terminate this Agreement at any time by providing at least 7 days' written notice to the other party (email is sufficient). Termination does not cancel any fees already owed for services already provided.

8. Governing Law

This Agreement is governed by the laws of the State of California and the United States of America, without regard to conflict of law principles.

9. Entire Agreement

This Agreement, together with the invoice(s) issued for specific services, represents the entire understanding between Client and Practitioner regarding coaching services.
